William Antholis

William Antholis is managing director of the Brookings Institution and a Senior Fellow in Governance Studies, where his work focuses on the politics and institutions of international diplomacy. He has served in government at both the White House and State Department.

William Brown

Bill has held appointments as an academic research librarian, faculty member, and administrator at Yale University, the University of Miami, and the University of California, Berkeley, before joining UNLV in 2005. Bill joined Brookings Mountain West in December 2009.

Dave Damore

David Damore is an Associate Professor in the Department of Political Science at UNLV where he teaches courses on legislative politics, political parties, interest groups and public opinion and political behavior. Damore regularly comments on Nevada governmental and political issues for local, national, and international media outlets.

Ramona Denby Brinson

Ramona Denby Brinson is the Senior Resident Scholar of Social Services with The Lincy Institute and a Professor in the Greenspun College of Urban Affairs School of Social Work. Her research interests include child welfare, children's mental health, juvenile justice, and culturally specific delivery of social services.

Brian Greenspun

Brian Greenspun serves as the Chief Executive Officer of The Greenspun Corporation. Greenspun serves as Editor of The Las Vegas Sun. He serves on the President's Community Advisory Board of the University of Nevada, Las Vegas, and sits on the board of trustees of the Brookings Institution.

Cyndy Gustafson

Cyndy is a Principal at Strategic Progress LLC. Cyndy and her firm have raised over \$18 million over the last 8 years, working with variety of government, nonprofit and private philanthropic organizations and entities.

Sonya Douglass Horsford

Sonya Douglass Horsford is a Senior Resident Scholar of Education with The Lincy Institute where she focuses on the history of education in the U.S., politics of education, and role of schools in society. A native Las Vegas, Horsford serves on several non-profit education committees. She is also founder and director of Las Vegas Freedom Schools, a summer literacy program for children in historically underserved communities.

Lucy Klinkhammer

Lucy Klinkhammer is the Associate Vice President for Community Relations with The Lincy Institute. She builds and maintains strategic alliances within the University and among community stakeholders to ensure success of the Institute. Lucy has more than 20 years of experience in advancement including nonprofit management, major and annual gift fundraising, corporate/foundation, alumni and community relations.

Robert Lang

Lang is a Professor in the Greenspun College of Urban Affairs, and serves as the executive director of The Lincy Institute and director of Brookings Mountain West. Robert Lang is a nationally recognized authority on urban growth, economic development and population dynamics, including the interplay between politics and growth in the American West. Lang's research specialties include suburban studies, real estate, demographic and spatial analysis, economic development, and metropolitan policy.

Shannon Monnat

Shannon Monnat is an Assistant Professor of Sociology at UNLV. Her current research projects reflect the view that social structural inequalities, disparities within the health care system, and individuals' access to health care have multiple implications for social, economic, and environmental sustainability.

Fatma Nasoz

Fatma Nasoz is the Senior Resident Scholar of Information Technology with The Lincy Institute. She is charged with leading the Institute's technology initiatives including its data repository; assessing the information technology needs of Southern Nevada's nonprofit and government agencies; and collaborating with those agencies to build and enhance their IT capacity.

Helen Neill

Helen Neill is an Associate Professor and Associate Dean at the Greenspun College of Urban Affairs. Areas of expertise and interest include environmental economics, environmental management, economic valuation, risk, spatial statistics, and key laws and regulations such as the National Environmental Policy Act.

LeAnn Putney

LeAnn G. Putney is a Professor in Educational Psychology at UNLV. She has examined teacher efficacy and collective classroom efficacy from a Vygotskian perspective to illustrate how efficacy can be developed and enhanced. LeAnn co-founded Innovations International Charter School of NV and serves as the Director of Research..

Lindy Schumacher

Lindy Schumacher serves as a CEO of Fulfillment Fund, Las Vegas, and associated with Dream Fund, UCLA. Schumacher brings a wealth of knowledge through her background in finance and accounting through her past role as a senior auditor for Arthur Andersen.

Marya Shegog

Marya Shegog joined The Lincy Institute in September 2012 as its Director of Health Programs. During 2009–2010 she completed a post-doctoral fellowship with the Center of Health Disparities Research within the School of Community Health Sciences at UNLV. Her teaching and research interest focus on effectively identifying and addressing health disparities in order to eradicate them.

Neal Smatresk

Dr. Neal J. Smatresk was appointed president of the University of Nevada, Las Vegas on Aug. 6, 2009. Under his direction, UNLV has hit a number of milestones and academic achievements, positioning the university as a leader in the dynamic Intermountain West. He secured a donation from the Lincy Foundation to establish The Lincy Institute, and he forged a partnership with the highly respected Brookings Institution to establish its first foray west of the Mississippi: UNLV's Brookings Mountain West.

Chris Stream

Chris Stream is an Associate Professor and Director of the School of Environmental and Public Affairs Ph.D., Public Administration & Policy. His research and interest includes intergovernmental relations, public policy, state and local government, and research design and methods .

Brad Wimmer

Bradley S. Wimmer is a nonresident senior fellow with Economic Studies and a professor of economics at the University of Nevada, Las Vegas (UNLV). His research issues include the associated effects regulation and deregulation have on the market for telecommunications.

Jessica Word

Jessica Word is an Associate Professor within UNLV's School of Environmental and Public Affairs (SEPA). She also serve as a Academic Director of UNLV's Nonprofit Community Leadership Center. Her research interests include nonprofit management, public management, program evaluation, organization theory and public policy.
